Triassic Solutions Private Limited Ranked Number 50 Fastest Growing Technology Company on the Deloitte Technology Fast50 India 2015

Attributes its 94 Percent Revenue Growth to the trust placed upon them by clients and the unswerving dedication of their team

Thiruvananthapuram/Bengaluru, India, November 3, 2015 – Triassic Solutions Private Limited today announced that it ranked Number 50 on the Deloitte Technology Fast50 India 2015, a ranking of the 50 fastest growing technology companies in India. Rankings are based on percentage revenue growth over three years. Triassic Solutions Private Limited grew 94 percent during this period.

Triassic Solutions' CEO, Sivakumar S.K., credits their mindset to take up new challenges and the quest to achieve customer delight with the company's 94% revenue growth over the past three years. He said, "We have been a consistent top performer in our league and this award underlines our promise to exceed customer expectations. It gives us great confidence to have come out with flying colors edging out our competition, for the second time in a row."

"Being a winner in the Deloitte Technology Fast50 program is commendable in today's highly competitive technology industry," said Rajiv Sundar, Senior Director, Deloitte Touche Tohmatsu India LLP (DTTILLP), and Program Director Tech Fast50 India 2015. "We congratulate Triassic Solutions Private Limited on being one of the 50 fastest growing technology companies in the country. With its 94% growth rate over three years, Triassic Solutions Private Limited has proven that its leadership has the vision and determination to grow."

Triassic Solutions Private Limited previously ranked 24 on 2014 Deloitte Technology Fast50.

About Deloitte Technology Fast50 India Programme

The Technology Fast50 India program, which was launched in 2005, and celebrating its Tenth anniversary this year, is conducted by Deloitte Touche Tohmatsu India LLP (DTTILLP), and is part of a truly integrated Asia Pacific program recognizing India's fastest growing and most dynamic technology companies (public and private companies) and includes all areas of technology - from internet to biotechnology, from medical and scientific to computers/hardware. The program recognizes the fastest growing technology companies in India based on their percentage revenue growth over the past three financial years.
