# Triassic Solutions Private Limited Ranked Number 240 Fastest Growing Technology Company on the Deloitte Technology Fast 500™ Asia Pacific 2014

*Attributes its 206 Percent Revenue Growth to the support and trust placed upon them by their clients and staff*

Thiruvananthapuram, India, December 11, 2014 – Triassic Solutions Private Limited today announced that it ranked Number 240 on the Deloitte Technology Fast 500™ Asia Pacific 2014, a ranking of the 500 fastest growing technology companies in Asia Pacific. Rankings are based on percentage revenue growth over three years. Triassic Solutions Private Limited grew 206 percent during this period.

Triassic Solutions' CEO, Sivakumar S.K., credits its staff and partners and the trust placed upon them by their clients with the company's 206% revenue growth over the past three years. He said, "Our clients believed in us, so did each member of the Triassic family. This award is a sweetener to Triassic, as we are celebrating our 10<sup>th</sup> anniversary of operations."

"Making the Deloitte Technology Fast 500™ is commendable in today's highly competitive technology industry," said Ichiro Nakayama, Deloitte Japan partner in charge of the Deloitte Technology Fast 500™ Asia Pacific program. "We congratulate Triassic Solutions Private Limited on being one of the 500 fastest growing technology companies in the region."

In addition to ranking on the Deloitte Technology Fast 500™, Triassic Solutions Private Limited ranked 24 on the India Deloitte Technology Fast 50, which is a ranking of the 50 fastest growing technology firms in India.

## **Deloitte Technology Fast 500™ Asia Pacific selection and qualifications**

The Technology Fast 500™ list is compiled from the Deloitte Asia Pacific Technology Fast 50 programs, nominations submitted directly to the Technology Fast 500™, and public company database research. To qualify for the Technology Fast 500™, entrants must have had base-year operating revenues of at least US\$ 50,000. Entrants must also be public or private companies headquartered in Asia Pacific and must be a "technology company," defined as a company that develops or owns proprietary technology that contributes to a significant portion of the company's operating revenues; or manufactures a technology-related product; or devotes a high percentage of effort to the research and development of technology. Using other companies' technology in a unique way does not qualify.
